Your Gateway to Peaceful and Modern Living

Ashtavinayak Township is a thoughtfully planned residential community by Sai Crystal Infra, located in the rapidly developing area of Navli, Palghar. Designed to offer a balanced lifestyle, the township combines modern amenities with serene surroundings, making it an ideal destination for families seeking comfort and connectivity.

From well-designed flats and open green spaces to excellent infrastructure and accessibility, Ashtavinayak Township promises a lifestyle where every moment feels complete. Here, you don't just buy a home—you invest in a better tomorrow.

Ashtavinayak Township

The name “Ashtvinayak Township” is inspired by the divine concept of the eight sacred temples of Lord Ganesha, collectively known as Ashtvinayak. Each temple represents a unique form and blessing of Lord Ganesha, symbolizing prosperity, wisdom, success, and new beginnings.

By naming the project Ashtvinayak Township, we wish to bring the same spiritual positivity, harmony, and good fortune into the lives of our residents. Just as the eight temples are spread across Maharashtra and hold deep cultural and religious significance, our township is envisioned as a place where tradition meets modern living—a space blessed with peace, progress, and prosperity.
